Italprod is a modern and dynamic company established in 2001 in Romania bringing along from Italy a vast experience in the field of processing fruits passed from generation to generation combined with modern equipment and advanced technologies. Our company produces and supplies candied fruits, maraschino cherries with or without stem, fruit cubes, etc.

The fruits are processed with modern technologies and the quality is guaranteed by tests carried out daily by a high skilled staff.

- The candied cherries may come in different color: red, green, yellow and black.
- The maraschino cherries are with or without stem and are given different flavours and colors:
 - red for maraschino flavour;
 - green for mint flavour;
 - blue for tropical fruits flavour;
 - yellow for lemon flavour;
 - orange for orange flavour;
- Amarena (black sour cherries) candied or in syrup are commonly used as ice cream topping, bakery filling or different cake decorations.
- We also have a variety of candied fruits, lemon cubes, orange cubes, melon cubes, mixed cubes - Macedonia, sliced lemon and oranges, tondini.

The products are intended for icecream factories, chocolate factories, bakeries, bars, restaurants etc
